SPONSOR: This event is sponsored by the Western States Dorper Association (WSDA).

MINIMUM BIDS: There will be a minimum bid of \$300 on all registered animals and \$200 on all unregistered animals.

MAIL AND PHONE BIDS: If you are unable to attend the sale in person, a number of individuals will be able to handle your bids. These include the Sale Chairperson, Marilyn Redden (707-996-6226), Jane Patton (530-514-7250), or the consignor(s) of your choice. All mail and phone bids must be preapproved by the Sale Chairperson prior to the sale. It may be possible to arrange transportation if we are notified in advance of your plans.

TERMS: Cash or check. The auctioneer's decision is final on any disputed bids. All animals are at the purchaser's risk as soon as sold. Sheep purchased on order must be paid by the individual doing the bidding or handling the order. All mail and phone bids must be paid in full within 5 days of the sale. Mail bids not paid in full within this time frame will have an additional 10% handling fee added. A 25% surcharge will be assessed to any insufficient funds check issued. Institutions may pay by requisition. Credit card payment will be accepted with prior approval by sale management. A 3% surcharge will be added to the total purchase price for payments with credit card.

REGISTRATION: All animals, except those sold as unregistered or commercial, are registered. All Buyer Numbers must be in the name of the person that the animal is to be transferred to. Registration papers will be given to the buyer upon payment for animals purchased.

HEALTH: Buyers from states requiring special health permits should contact their state veterinarian and have their permit number with them. It is recommended that prospective buyers contact their state animal health department for further information or regulation changes prior to attending the sale. All sheep sold must be in compliance with Federal scrapie regulations. A veterinarian will be on the Fairgrounds to issue out-of-state health papers. All White Dorpers must be tested and negative for dermatoparaxis and a lab certificate must be provided by the breeder for each White Dorper entered upon arrival at the Sale.

NOTICE: The Western States Dorper Association, Sale Chairperson, and the consignors of this sale do not assume any risk or liability in case of any accidents of any kind or losses of any kind to any person or persons in attendance at the sale.

SALE GUARANTEE

Except for those stated in the below guarantee, there are no warranties, either expressed or implied, as to the merchantability or fitness for the particular purpose with respect to the sheep being sold in this sale.

The warranties and guarantees set forth in the guarantee below are in lieu of all other warranties, either expressed or implied, and the remedies provided therein shall be the sole and exclusive remedy of the buyer, or any other party claiming through the buyer, for any breach of warranty or guarantee therein provided, and all obligations or liabilities.

1. Every ram or ewe sold will be guaranteed as a breeder if properly handled. It shall be the responsibility of the buyer to return the non-breeder to the seller in acceptable breeding condition. The seller, after a fair trial, and the animal is found to be a non-breeder, shall have the privilege of replacing the ram or ewe with one of equal value to the satisfaction of the seller, or refunding the purchase price. This guarantee shall not apply the first year to any sheep that are shown subsequent to the date of the sale. All ewe lambs are exempt from the breeding guarantee the first year.
2. This guarantee shall constitute a contract between the buyer and the seller only, and no other parties assume any liability, legal or otherwise, expressed or implied.
3. The WSDA cannot or will not assume any responsibility as to the authenticity of the pedigrees, bloodlines, or information provided in the sale catalog, pen cards, or otherwise, and the subsequent genetic performance of any sheep purchased. All such information must be accepted at face value. Any statements or information given sale day supersedes cataloged information. Any special guarantees or claims offered by individual consignors is strictly between the consignor and the buyer, and will not be enforced by the sponsoring organization.

MOTELS: There are numerous motels within 20 miles of the Fairgrounds in Orland, Corning, Willows, and Chico.

RV PARKING: Available at the Glenn County Fairgrounds. 530-865-1168. The rate is \$25.00 per night.

Out of the need for sheep to train young dogs we, the Siegalkoff family of 2S Bar Livestock, discovered the Dorper breed. What we found was sheep of superior meat quality combined with easy maintenance. Dorpers are becoming increasingly in demand among the different meat markets because of the excellent tenderness and flavor of the lamb meat. Out of this discovery we have chosen to upgrade our sheep production program by expanding to a registered herd to supply exceptional breeding animals as well as superb meat product.

tsquaredorpers@att.net - www.tsquaredorpers.com

T Square Ranch is located in the Northern California foothills in the community of Penn Valley. We are lifelong residents of Nevada County and have raised our family here for three generations. Our family has raised cattle in Nevada County for more than 140 years. We purchased our land separate from the family ranch in 2000 and with the summer fire danger we bought sheep to graze off the excess grass and brush. After starting with the Barbados breed we learned of the Dorper breed and in 2010 made the change to raise only full blood dorpers. Their friendly temperament makes caring for them easy. We have only bought the finest animals we could find and it shows in their offspring. Our commitment to small and large breeders is to continue breeding only the best full blood dorpers in limited numbers. Look for us in the coming years. We have placed orders with some of the finest breeders in the country and will continue to produce only superior breeding lambs.

Glenn Land Farm White Dorpers have found a niche in both the upscale restaurant and farmer's market trade as well as in the ethnic community. Pasture finished lamb is desired by a large portion of the specialty market consumers and White Dorpers fit the specs perfectly. You may already be selling to these markets, but if you are not you should strongly consider the virtues of this breed of sheep in the market scheme of the major population centers of the western states. At Glenn Land Farm we are very excited about these sheep and we know you will be too once you try them. All of the consignors at the production sale are equally excited about Dorpers and hope you can come and enjoy a special day devoted to this breed.
